

## DEAR VEHICLE OWNER:

You may have seen in your recent DMV registration renewal notice that your vehicle requires a Smog Check at a Test-Only station. This mailing is to introduce you to the Bureau of Automotive Repair as a resource for any questions you may have about getting a Smog Check.

### Just visit [www.smogcheck.ca.gov](http://www.smogcheck.ca.gov) and:

- Learn more about Test-Only stations
- Find a Test-Only station near you
- Learn how to apply for our Consumer Assistance Program where vehicles that don't pass inspection can qualify for up to \$500 in emission repairs

So, if you have questions about your upcoming Smog Check, we can help.
